Forum Banca: CheckSig Announces Record Results and surpasses €2.5 Million in New Capital Raise

Investors back the international growth strategy of the Italian fintech which in Q3 2025 achieved all-time highs across key business metrics.

Milan, October 2, 2025 – At Forum Banca 2025, CheckSig – the Italian leader in Bitcoin and crypto services for private and institutional investors – announced record-breaking results both in terms of business performance and its ongoing capital increase launched in June.

The capital raise, opened at a €30 million pre-money valuation, has already attracted subscriptions exceeding €2.5 million. This milestone highlights the confidence of investors and strong market interest. The round, targeting a **total of €5 million** with closing scheduled by December 2025, aims to fuel technological development, international expansion, and marketing initiatives.

“These initial subscriptions, building on the success of last year’s round, confirm the growing trust of investors in our vision,” said **Ferdinando Ametrano, CEO of CheckSig**. *“This new raise will allow us to accelerate technology development and strengthen our footprint in international markets.”*

Q3 2025 further confirms CheckSig’s strong momentum, with triple-digit growth across all main indicators:

- **Revenue: €1.3 million** over the last 12 months (**+136%** year-on-year)
- **Assets under custody: over €170 million** (**+127%** year-on-year)
- **Trading volumes: more than €60 million** per year (**+117%** year-on-year)
- **Clients: over 1,100** (**+109%** year-on-year)

*“We have delivered on our promises with tangible results: **CheckSig’s growth outpaced even Bitcoin**, our natural benchmark, which closed Q3 with +71% year-on-year. These results confirm the strength of our business model and the trust that both clients and investors place in us and our services,”* Ametrano added.
